I-64 Temporary Lane and Ramp Closures

*The west bound side of I-64 at the State Road 62/64 interchange will be restricted to one lane
in addition to the west bound off ramp at Exit 118 being closed.*

GEORGETOWN, Ind. – The Indiana Department of Transportation (INDOT) announces the west bound side of I-64 at the State Road 62/64 (S.R. 62/64) interchange will be restricted to one lane. The closure will last from Friday, September 25 at 7:00 p.m. until 5:00 a.m. Monday, September 28. During the closure workers will be doing concrete paving as part of the intersection improvement project.

In addition starting at 4:00 p.m. Sunday, September 27, the west bound exit ramp #118 off of west bound I-64 to S. R. 62/64 will be closed. The ramp will be re-opened at 5:00 a.m.

Monday, September 28.

During the lane and ramp closures concrete paving operations will be conducted. All of the work is weather dependant.

Message boards will be used to advise motorists of the closures prior to the US 150 exit.

Although INDOT is not using an official detour motorists are advised to use alternate routes when possible. The ramp closure was scheduled during the time that will be the most expeditious to conduct the paving work and also impact the least number of motorists.

INDOT reminds motorists to use caution and consider worker safety when driving through a highway construction zone.
